

UNITED STATES PATENT AND TRADEMARK OFFICE  
Certificate

Patent No. 7,369,656 B2

Patented: May 6, 2008

ON petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Fernando Tages, Coral Springs, FL (US).

Signed and Sealed this Fifth Day of July 2011.
